HOSPICE HAVEN

Culinary Comforts Kitchen Remodel Campaign

HOSPICE HAVEN

Our 6-bed inpatient facility in Rockingham, NC provides short-term care for patients who need advanced symptom management or caregiver respite.

Our goal is to stabilize each patient and return them home as soon as possible.

Respite care provides short-term relief for caregivers by offering compassionate inpatient care for their loved one. Medicare may cover up to five consecutive days, based on eligibility and bed availability.

The kitchen has always been the heart of Hospice Haven.

Hospice Haven Culinary Comforts Kitchen Remodel Campaign

The kitchen is where our staff prepares favorite meals, warm soups, fresh coffee, and simple comforts that brighten a patient's day and provide solace to families. Our goal is to raise \$60,000 to renovate this essential space, ensuring it remains a place where care and compassion are served every day. No gift is too small—every donation brings us closer to creating a kitchen that reflects the exceptional care our patients deserve.

THE VISION:

We invite you to be a part of making something special happen for the patients that deserve it.
