

HOSPICE HAVEN

Our 6-bed inpatient facility in Rockingham, NC provides short-term care for patients who need advanced symptom management or caregiver respite.

Symptom Management

When symptoms cannot be managed at home, Hospice Haven offers specialized care to improve comfort.

Common symptoms include:

Pain
Infection
Nausea & vomiting
Restlessness
Other acute medical needs

Our goal is to stabilize each patient and return them home as soon as possible.

Respite care provides short-term relief for caregivers by offering compassionate inpatient care for their loved one. Medicare may cover up to five consecutive days, based on eligibility and bed availability.
