SALUTE TO VETERANS

Richmond County Hospice is committed to recognizing the service, sacrifice, and unique needs of veterans and their families through meaningful programs of honor and remembrance.

Programs:

WE HONOR VETERANS PROGRAM

As a proud participant in the We Honor Veterans program, Richmond County Hospice provides veteran-centered hospice care that recognizes the experiences and sacrifices of those who served. Our team works to understand each veteran's military history, address needs related to their service, and provide special recognition throughout their hospice journey.

SALUTE TO VETERANS PROGRAM

Our annual Salute to Veterans program brings veterans, families, and community members together for a special celebration of service. Our annual event is on the first Friday in November beginning at 11am. Through patriotic tributes, recognition, fellowship, and remembrance, we honor veterans from every branch of the United States Armed Forces. This event is open to the public and for all patriotic citizens. There is no cost and lunch is provided.

WREATHS ACROSS AMERICA

Each December, Richmond County Hospice participates in Wreaths Across America at Anson Memorial Park Cemetery. Veterans' graves are honored with the placement of remembrance wreaths in a meaningful community ceremony that remembers those who served, honors their sacrifices, and teaches future generations the value of freedom.

End of Life Planning

Final Salute

At the time of a veteran patient's death, a flag is respectfully placed over the patient in recognition of their military service. The flag remains with the veteran throughout transportation to the funeral home, where it is then presented to the family as a lasting symbol of honor, gratitude, and remembrance.
