HOSPICE

HONORS

Richmond County Hospice, Inc. has been named a 2023 Hospice CAHPS Honors Award recipient by HEALTHCAREfirst, a leading provider of revenue cycle management services, CAHPS and bereavement surveys and advanced analytics for hospice organizations.

This prestigious annual review recognizes agencies that continuously provide a positive patient experience and high-quality care as measured by the patient and caregiver experience. It acknowledges the highest performing agencies by analyzing the performance of the Hospice Consumer Assessment of Healthcare Providers and Systems (HCAHPS) survey satisfaction measures.

HCAHPS Honors acknowledges the highest performing agencies by analyzing performance on the Willingness to Recommend question as a qualifier and then analyzing performance on 18 other questions that comprise the publicly reported measures from April 2022 through March 2023.

HCAHPS Honors recipients include agencies scoring above the HEALTHCAREfirst National Average on at least 85% of the evaluated questions.

“We began our Annual Hospice Honors Award program more than ten years ago as a way to highlight those agencies that are truly leading the way in providing and demonstrating quality patient care,” said Ronda Howard, Vice President of Revenue Cycle and CAHPS at HEALTHCAREfirst.

“We congratulate Richmond County Hospice on their success and are so proud and honored that they have chosen to partner with us in helping drive success for their agency.” Richmond County Hospice Chief Medical Officer, Steven Strobel, MD states “Each day our employees seek to provide the highest quality care to our patients and their families. This award signifies that Richmond County Hospice is among the finest”.

“We are honored to serve our community as your local not-for profit independent hospice providing care since 1985. I am very honored to be a part of this organization and so thankful to each and every staff member who works hard every day to make RCH so special,” said Kristina Leyden, Chief Executive Officer.

To which Director of Public Relations, Julie Woody added “We are also very thankful to the community for the tremendous support they provide which allows us to continue our mission to provide high quality compassionate care during end of life experiences.”

Richmond County Hospice, Inc., has been committed to helping our neighbors by providing exceptional hospice care since 1985.

Hospice Eligibility

Have you ever questioned what diagnoses qualify for hospice care?

Did you think it was a service limited to individuals with a terminal cancer diagnosis or that a patient had to be in their last days of life to qualify?

Truth is, hospice care is available to individuals with most any disease in its end stage who are determined to possibly have a six month life expectancy.

The diagnosis could be end stage Heart Disease, end stage Lung Disease, end stage Alzheimer's Disease/Dementia, Metastatic Cancer, end stage Kidney Disease, end stage Liver Disease, or a variety of other disease processes.

If you ever feel that you or your loved one may benefit from hospice care, please give our office a call at 910-997-4464, and ask to speak to someone in our Intake Department. They will be glad to talk with you about our services and contact your primary care provider to determine if hospice may be the right course of care.

Mrs. Barbara Potter began working with Richmond County Hospice on June 23, 2022 and has accomplished one year and 4 months serving as RN/Inpatient Haven.

Tell us a little about your Family: Happily married to my husband Patrick for 25 years. 7 children: 4 boys and 3 girls. 4 dogs. Our family has a love of music (vocal and instrumental) and concentrated our talents in serving others.

What is the favorite part about working for Richmond County Hospice? Service. Working for Richmond County Hospice allows me to serve others unconditionally. I enjoy providing education. When appropriate, talking with and teaching families and loved ones the next steps and being able to hold their hands during the journey.

Before working at Richmond County Hospice, what was the most unusual or interesting job you've ever had? My most unusual job has been that of a Firefighter rescuer/EMT. Serving the community of a very busy Maryland community. I have had many opportunities to learn and train from some of the best. I've had the honor of bringing our newest into the world and holding the hand of those making their celestial journey. These experiences have been priceless in forming whom I have become.

*Mrs. Cindy Robinson, RN-On Call Nurse
is the recipient of the*

Employee Spotlight for the Month of September 2023!

Mrs. Cindy E. Robinson began working with Richmond County Hospice in April 2022 and has accomplished 17 months serving as RN-On call Nurse.

Tell us a little about your Family: My name is Cindy Elizabeth Robinson and I have been married to Jack Robinson for the past 28 years, however been together for 30! We have two sons and one daughter, Justin, Tracey, and Jackeline whom are all grown ups now! We are also proud grandparents to 4 little girls, Brooklyn, Shayla, Emilee, and Anna who give us more joy than we ever would have imagined.

What drew you to Richmond County Hospice originally and what have you gained from working here? The opportunity for me to join Hospice has came up so many times during my nursing career so when my first true love “Labor and Delivery” closed I decided to take a year off and just enjoy the grand girls. My husband actually saw an advertisement on Facebook and mentioned it to me and after some thought, I decided to apply. I believe that in my interview, I probably mentioned “I am probably not the girl for you because I have never worked in a Hospice environment”. Little did I know that my life would soon be changed and enriched so very much in such a short period of time.

What are three words to describe Richmond County Hospice? FAMILY, CARE, AND COMPASSION.

If you could pick one theme for Richmond County Hospice to turn into a book about the company, what would it be? Angels among us!

Do you have a favorite saying or quote? Never let the fear of striking out, keep you from playing the game!- (Babe Ruth)

What is the name of your favorite restaurant and why? Olive Garden – I mean, who doesn’t love Italian Food!

What are three words that best describe who you are? Caring, Giving, and Kind.

Complete the sentence, “I am my happiest when I am doing something for others.” My life seems to revolve around caring for others from my own family to my patients and friends, helping others gives me purpose! I have a philosophy that I try to practice every single day and it is truly to treat everyone as I would want to be treated no matter what and to do it to the best of my ability.

Where is the best place you have traveled to and why? Cancun, Mexico – We flew there from Raleigh, NC for our 15th wedding anniversary and it was truly PARADISE!

When was the last time you laughed so hard you cried? When my Dad was still living just watching him take care and play with his grandchildren would simply cracked me up!

What kinds of hobbies and interests do you have outside of work? I love making things, painting, and creating memories with the grand girls.

*Thank you, Mrs. Cindy, for all of your hard work and dedication to Richmond County Hospice.

HOSPICE SABBATH

I pray that the peace of God be with each of you! This time of year is a special time for hospices across the country and November 1, 2023 marks the beginning of National Hospice Month. The Board of Directors and staff at Richmond County Hospice, Inc. would like to invite you and your church to take part in this celebration by participating in the Hospice Sabbath on November 19, 2023. Hospice Sabbath is a time for your congregation to honor those individuals who have passed away throughout the last year.

Richmond County Hospice, Inc. would like to include you in this time of remembrance by offering a single white rose in memory of those individuals who have passed in your church and bulletin inserts that explain the meaning of the rose and Hospice Sabbath. The rose and inserts come at no cost to the churches who wish to participate. The roses and inserts will be delivered on Thursday, November 16, 2023, and Friday, November 17, 2023.

Hospice Sabbath is only one part of our Community Church Outreach program. I would like to take this opportunity to invite you to take part in our other programs. Our second form of outreach is a Newsletter that I write each month. We are offering this newsletter to churches to provide bulletin inserts. These articles are written with the intention to help uplift and unite the body of Christ. Lastly, our organization would appreciate the opportunity to be invited into each church to explain what Hospice is, how it works, who qualifies and to end the myths that Hospice is just about death.

Please let me know if you would like to be a part of any of the outreach programs. If you would like your church to be a part of Hospice Sabbath, please inform your pastor and have them contact Richmond County Hospice.

In closing, I would like to extend a heartfelt "Thank You" on behalf of Richmond County Hospice, Inc. for all of Churches that participate in our outreach programs. We will continue to be here for you and your congregation as you have been here for us. If you have any questions, please contact me at (910) 997-4464.
