“Compassionate Care Is Our Calling”

SUMMER 2019

Richmond County Hospice, Hospice Haven & Anson Community Hospice

**Our Volunteers always go over board for us,
and we'd be shipwrecked without them!**

The annual volunteer banquet was held on April 9, 2019, at Mt. Olive Baptist Church in Rockingham. Our setting was a pirate town, and volunteers and staff were the captains and crew. Our volunteers enjoyed a catered meal, sponsored by Watson King Funeral Home and Richmond County Memorial Park, along with pirate games including crowd participation, inspirational words from our guest speaker Nancy Boling, and a pirate puppet skit courtesy of Arturo and Ben DeAguilar. All of our volunteers were thanked for their service, with special recognition given to those with more than 40 hours of volunteering since March 1, 2018, and to our annual award winners.

The 2019 award recipients were:

- Church of the Year-Mount Olive Baptist Church
- Business of the Year-Mabry's Drug and Homecare
- Rookie Volunteer of the Year-Kelsey Leigh
- Non-Clinical Volunteer of the Year-Ken Caulder
- Teen Volunteer of the Year-James Mims
- Special Events Volunteer of the Year-Ellen Alston-Richburg
- Bereavement Volunteer of the Year-Barbara Severino

Volunteers truly do help keep Richmond County Hospice afloat. As always, if you are interested in giving of your time, talent, or treasures to Richmond County Hospice as a Volunteer, please contact Lisa O'Neal at 910-997-4464.

LIGHT OF LIFE

On Thursday, May 9th, Richmond County Hospice, Inc., hosted our bi-annual Light of Life Memorial Celebration. Marks Creek Presbyterian Church graciously opened their doors to us as we gathered to remember our beloved hospice patients who had passed in the last six months as well as to provide an opportunity for members of the community to remember their deceased loved ones.

The purpose of our Light of Life services is to cherish the memory of our loved ones while being reminded that we are not alone in our grief. Pastor Ken Goins offered words of hope and comfort to the families and hospice staff in attendance. He shared scripture which promised peace and comfort during a time of grief. The lovely prelude music was played by Linda Hatcher on piano. Soloists, Matthew Burnette and Timothy Driggers, provided the special music for the service. Lighting the unity candle and the memorial candles during the Reading of the Names complemented the beautiful event. The ceremony concluded with prayer and a blessing for the evening's meal. The meal, catered by Rick's Catering, was served in the church fellowship hall which had been beautifully decorated by Nic Wilkes and his family.

We want to thank our hospice families and members of the community for their support. We also want to thank our volunteers who so willingly give of their time and talents. Our special events could not be possible without the support of our community and our volunteers.

The Light of Life Memorial Celebrations are held twice a year, during the months of May and November, at a local church in Richmond County. Members of the community are welcomed to attend. Recognizing that grief can often create a dark and sad place for individuals to overcome, we hope that the Light of Life services bring peace and comfort to the families who are grieving the death of a loved one. The Light of Life services are a time to celebrate the lives of those loved ones who are no longer with us.

RICHMOND COUNTY HOSPICE, INC. Named a 2019 Hospice Honors Recipient

Rockingham, North Carolina May 6, 2019— Richmond County Hospice, Inc., has been named a 2019 Hospice Honors recipient by HEALTHCAREfirst, a leading provider of billing and coding services, CAHPS surveys and advanced analytics. Hospice Honors is a prestigious program that recognizes hospices providing the highest level of quality as measured from the caregiver's point of view.

"We are excited to recognize the 2019 Hospice Honors recipients for their hard work and dedication to providing exceptional care," said Misty Skinner, Executive Vice President of Services at HEALTHCAREfirst. "I congratulate Richmond County Hospice, Inc., on its success in achieving this highest of honors."

Award criteria were based on Hospice CAHPS survey results for an evaluation period of October 2017 through September 2018. Award recipients were identified by evaluating performance on a set of 24 quality indicator measures. Performance scores were aggregated from all completed surveys and were compared on a question by-question basis to a National Performance Score calculated from all hospices contained in the HEALTHCAREfirst's Hospice CAHPS database. Hospice Honors recipients include those hospices scoring above the HEALTHCAREfirst National Performance Score on 20 of the evaluated questions. HEALTHCAREfirst holds a special recognition, Hospice Honors Elite, to honor hospices scoring above the HEALTHCAREfirst National Performance Score on all 24 of the evaluated questions. Please visit HEALTHCAREfirst's website at www.healthcarefirst.com to learn more about HEALTHCAREfirst's Hospice CAHPS survey program as well as the Hospice Honors awards.

Kristina Leyden, MSW, LCSW, CEO, of Richmond County Hospice, Inc., credits the compassionate care of our dedicated employees and volunteers. She said, "We are honored to receive this distinction for the fourth year in a row and pride ourselves on providing quality care to our community. This award serves as a testimony to the staff's commitment of fulfilling our mission to provide peace, comfort, and dignity to all those we serve."

Hospice Haven Nurses/PTC's

Hospice Haven is our Inpatient Facility for our acutely ill patients. It also serves as a place for our patients to come so their caregiver can receive a little time to themselves. Half of our patients come for treatment, or a respite stay and then go back home. The other half come here to transition on to their Heavenly home. Care during these times is greatly dependent on our nurses and aides. Regardless of the outcome, it is difficult for patients and families to accept the need for the Haven. Once here, their anxiety melts away due to the compassionate care and open arms they receive from our staff.

At Hospice Haven, we have four full time RNs (including the Director of Inpatient care), two part time RNs, two PRN RNs and one full time LPN. A RN is always on duty around the clock to manage our patient's care while at the Haven. There are six full time NAs. title is Patient Care Technician. From daily bathing to providing a home cooked meal to our patients, our PCTs are on top of it. Our nurses and aides provide exceptional care for our patients and their families.

They pride themselves in maintaining and managing our patient's comfort as well as easing the family's worry. They provide clinical care as well as being a listening ear or a shoulder to lean on. They like to take the extra steps to "wow" all of our guests. It takes a great deal of compassion and understanding to work in this field. All of the nurses and aides across our entire company encompass these qualities. We have the best team anyone could ask for!

Nurse's Week was recognized May 6-12, 2019, and Nursing Assistant's Week-June 13-20, 2019. During November, we join as a Team and show appreciation for each other as well as taking time to reflect on the multiple roles that are required to take the best care of our patients. Thanks to all of our nurses and aides for your compassionate care and diligent work!!! You ladies ROCK!!

Hospice Homecare Nurses/Aides

Hospice Care involves a team approach. Our nurses and Hospice Aides play a vital role in providing care for our patients and families. Dignity, respect, comfort, and quality are the foundations of our mission here at Richmond County Hospice. Hospice nurses and aides provide care not only for the patient, but also for the family, addressing physical, psychological, emotional, and spiritual needs during the most vulnerable point in their lives.

Our nurses and aides provide routine, schedule visits each week, which usually last an hour or more. They are also available to make unscheduled visits as needed to manage symptoms or provide additional support. The work of a Hospice nurse or Hospice Aide varies from day to day, depending on the needs of the patient and family. In addition to their routine medical tasks, they are also educators, providing ongoing care instructions throughout the patient's course of care. They are counselors and mediators between patients and families. They meet spiritual needs by praying with the patient and family if they are asked to. They provide companionship by reading to patients or just listening as the patient tells stories of his or her life. Caring for patients at the end-of-life can be unpredictable and exhausting for the patients and caregivers.

It is often a relief to the patient and family to have someone who can anticipate their needs and provide comfort. A visit by the nurse or Hospice Aide may be the highlight of the day for a patient who is no longer able to get out of bed, or for the caregiver who has not left the house or seen anyone else for several days.

Richmond County Hospice is proud to acknowledge that our nurses and aides provide compassionate, quality, end-of-life care to our patients and families.

The week of May 6-12 was recognized as National Nurses week, and the week of June 13-30 was recognized as Nurse Assistant week. We are so thankful for our dedicated nurses and aides and appreciate the important work they do!

VOLUNTEER SPOTLIGHT

Mrs. Linda Hatcher is our featured Volunteer for the month of May 2019!

When I retired from Richmond County Schools in 2006, I realized that I would like to keep some structure in my life for sanity's sake. While attending a Hospice-sponsored BBQ at Browder Park, some of the Hospice staff invited me to volunteer. I discounted this at first not realizing the many tasks that could be performed by volunteers. Finally after considering this and thinking about the ways I could contribute, I said "yes." In the six years since, I've not regretted it once. I enjoy meeting people and learning about all the facets of Hospice and how they

interact with the patient's families and the community. I'm very blessed to be associated with this organization, and I encourage others to become volunteers also.

Ms. Taylor Parrish is our featured Volunteer for the month of April 2019!

Hello, my name is Taylor Parrish and I am a Senior at Richmond Senior High School. I have been volunteering at hospice since January 18, 2019. However, this is not my first time volunteering at Richmond County Hospice. I basically grew up volunteering here due to my Mom working here when I was younger. This has led me to volunteer at multiple places throughout our community. I am taking a class called CTE Internship at Richmond that allows me to volunteer at hospice. My cluster at the high school is the health science cluster, and they have allowed me to spend part of my day here at hospice. So far, I have folded laundry, baked cookies, washed dishes, and also helped in the office. I am planning to attend Pfeiffer University in the Fall of 2019 where I will pursue my dream of becoming a nurse at one of the best nursing colleges in the state. Richmond County Hospice has allowed me to see first hand the job duties of nurses and has helped me decide that nursing is the career path for me. Hospice has been such a welcoming environment for me to learn and experience everyday job duties for nurses. I am very thankful that hospice has given me the opportunity to volunteer and view how a health care facility operates. I will carry this experience with me throughout the rest of my life.

Ms. Jordan Lear is our featured Volunteer for the month of March 2019

Ms. Jordan Lear, a Senior at Richmond Senior High School, is going to early college at her school. Ms. Jordan started volunteering here at Richmond County Hospice in January 2019. Jordan comes every Thursday; and while she is here, she helps by doing the "Tuck In" calls, filing papers, shredding papers, and anything that is asked of her. With her sweet and caring spirit, we know that she will reach whatever goals she has planned for her future.

Thank you so much, Ms. Jordan, we truly appreciate all that you do for Richmond County Hospice!

The CHAPLAIN'S Corner

Rev. Chris Thornton

In the world today, we have to face people who are just not happy. They are negative! If we are not careful, negativism can affect and even rub off on us as Christians. We need to look at ways we can defeat negativism. One of the best ways of doing this is making a decision to be an optimistic person. By deliberate actions of our wills, we can decide to have a positive outlook. I know this may sound easy to do, but Satan knows that the battle for our souls starts in the mind. So, a daily decision is necessary to attain this. Concentrating on God's good plan for our lives will help bring victory.

Many people today neglect their devotional life. Devotion is a necessity part to positive living. Be faithful in your time with God. Spend a few minutes alone each day to pray and seek God. Many depend on their own power instead of asking for and depending on God's strength. Keep praying and believing that you can be an optimistic person no matter what is going on in your life.

Spending time with hospice patients has let me see that God's peace can reach people no matter what! Find the scriptures that speak to you the most and start repeating them when you feel a negative attitude coming. Use God's Word as a weapon against Satan when he starts to attack. And always have implicit trust in The Lord because it brings peace, love, and joy. Remember His word in **Philippians 4:8-9** ⁸ Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things. ⁹ Whatever you have learned or received or heard from me, or seen in me—put it into practice. And the God of peace will be with you.
