Richmond County Hospice, Inc. Hospice Haven, Anson Community Hospice

BEREAVEMENT HIGHLIGHTS

One of the many benefits of Hospice Care is the bereavement services provided to family members following the death of a loved one. Support is available to family members for up to thirteen months after the loss of a loved one. These voluntary services are offered and provided at the discretion of the primary caregiver. These services are also available for the community-at-large. The following events provide an opportunity for family members to remember their loved ones.

Light of Life Memorial Celebration: This special service, held twice yearly, celebrates the lives of those loved ones that have passed away within the past six months. Various churches in the area serve as the host site for this evening. The most recent Light of Life service was held on November 17, 2015, at First Baptist Church in Rockingham. Nearly one hundred and twenty individuals attended and remarks were offered by Dr. Jim Nelson, Pastor of First Baptist Church. A catered meal followed the service allowing for fellowship with one another. The purpose of this service is to cherish the memory of our loved ones, while reminding us that we are not alone on our journey of grief.

Forever Tree Lighting Ceremony: One of the most challenging times for family members after the loss of a loved one is the Christmas season. As a means to remember our loved ones and recognize their impact upon our lives, we offer the Forever Tree. On Tuesday, December 1, 2015, sixty-one people gathered for the Forever Tree lighting ceremony. Individual lights were purchased in memory or in honor of a loved one, and their name and light was placed on the tree outside of our main office.

Caregiver Support Group: We offer a Caregiver Support Group the first Saturday of each month (unless otherwise designated) at 10:00am. This group is open-ended and provides support to those dealing with grief and loss issues. With support from Sandy Black, Bereavement Coordinator, and Tavares Bostick, Professional Volunteer, those in attendance have an outlet to share their feelings and emotions and receive comfort from one another. For additional information on any of these events, please contact Sandy Black at (910) 997-4464.

CULINARY COMFORTS

Richmond County Hospice 30th anniversary cookbooks are still available for purchase. There are over 300 recipes from staff, volunteers, patients, and family members, as well as original artwork from one of our teen volunteers, Nic Wilkes. For a donation of \$20, you will receive one of our Culinary Comforts cookbooks with all proceeds going to our Benevolent Care Fund. Please stop by the administrative office or call 997-4464 to purchase your cookbook. Thank you so much for your support.

Richmond County Hospice staff and volunteers sold our 30th Anniversary cookbooks, Culinary Comforts, at the Seaboard Festival in Hamlet on Saturday, October 31, 2015. It was a beautiful, sunny day and the crowd was huge. We enjoyed speaking with the many people who stopped by the booth to express their gratitude, inquire about services, preview/purchase a cookbook, or just to say "Hello."

2015 Christmas Parade

Fifth annual “Salute to Veterans” event

Richmond County Hospice is dedicated to providing quality care to terminally ill patients, including veterans. Veterans have unique experiences that can impact them when facing end-of-life care. As a way to pay tribute to and recognize our Veterans, Richmond County Hospice hosts an annual Salute to Veterans event. Our Fifth Annual Salute to Veterans event was held on Friday, November 6, on our campus. More than 250 individuals attended and highlights from the day included:

82nd Airborne Military Band
Richmond County Sheriff's Office Honor Guard
Special Guest Speaker Col. Joseph Perry, M.D.
Patriotic poem by Emily Perry
RSHS JROTC Drill Team demonstration
Remarks by Sheriff James Clemmons
Military memorabilia display by Tom Flores
Wings of Love Dove Release
Meal catered by Smithfield's Chicken and BBQ

We feel honored to provide this special day of reflection, and we also want to thank our sponsors for their support. The following businesses and individuals helped make this day possible:

We are grateful to our veterans for their brave service to our Nation. May we never forget the many sacrifices they have made to allow us our freedom.

HOSPICE SABBATH

We at Richmond County Hospice, Inc. would like to thank all the churches for your continued support with Hospice Sabbath. This past year was one of the best years we have experienced with fifty-eight churches participating throughout Richmond County!

I would like to take this opportunity to extend an invitation to every church member in our community to become involved in our agency as we make efforts to grow throughout the surrounding communities. Richmond County Hospice, Inc. is working on an outreach program to involve more of the churches in the counties we serve in an effort to truly become your hometown Hospice.

This outreach program is combined of three major parts: Hospice Sabbath, a monthly newsletter, and public speaking engagements in churches. Hospice Sabbath represents a celebration to honor those individuals throughout the community who have passed within the last year. We recognize that not everyone is involved with Hospice as their last days approach; however, we encourage those who have experienced Hospice services and those who have not to honor their loved ones. We would like to take this time to invite any church members in the community who would like to be a part of this special day to contact me. Churches who participate in Hospice Sabbath receive a white rose to place in the sanctuary and bulletins to offer support and encouragement.

Our second form of outreach is a newsletter that I write each month. We also offer bulletin inserts for church congregations. These articles are written with the intention of uplifting and uniting the body of Christ.

Lastly, our organization would like to be invited into each church to have the opportunity to explain what Hospice is, how it works, and who qualifies for hospice care in order to end the myth that Hospice is just about death.

We at Richmond County Hospice Inc. strive to make a difference in this community. I am excited about this new venture to grow the outreach program and to be invited into your church for Sunday services, men and women ministry meetings, or any event you have at your church to explain our services. If you or anyone else you may know would be interested in this program, please contact me as soon as possible at 910/997-4464 or at cthorton@rchospice.com

Thank you so much for allowing me the opportunity to share with you about our outreach program!

In the love of Christ,
Rev. Chris Thornton, CPC

Our Hospice Month: November

Every year, more than 1.58 million people living with a life-limiting illness receive care from hospice palliative care providers in the U.S. November is the National Hospice and Palliative Care Month, when providers across the country raise awareness of the many benefits of hospice palliative care.

Here at Richmond County Hospice during the month of November, we honor our nurses, Hospice aides, therapists, social workers, chaplains, doctors, and all the office staff who make a remarkable difference for the patients and families they serve. These heroic caregivers play a central role in our health care system and in homes across our service area. To recognize their efforts we provide a small token of our appreciation by offering different activities for them such as breakfasts, luncheons, ice cream socials, and desserts!

Community businesses contributed food for our celebration. We extend our thanks to Mc Donald's, Biscuitville, Holiday Restaurant, Half-Baked sandwich shop, and Armando's Grill in Moore County. Thanks to them, we were able to acknowledge all our great employees. Along with the previously mentioned businesses, Salvador Chaparro, owner of el Taco Loco, graciously offered to bring his "Taco Mobil" (mobile kitchen) and cater an on-site lunch for our employees. All of Richmond County Hospice employees appreciated the hospitality provided by these businesses. Our staff at the Haven especially appreciated this as they cannot leave their job site.

We again thank our employees, who are one of our greatest assets, for participating in all the activities that we plan for them.

WHAT IS HOSPICE?

A CAREGIVER'S PERSPECTIVE

What does a good death consist of? How would it look? Who would be there? Where would it take place? Questions such as these typically do not cross our minds and are difficult for us to think about. However, when one is faced with a life-limiting illness, these are all very valid questions that become an undesired reality.

According to some statistics provided by the National Hospice and Palliative Care Organization (NHPCO), nine out of ten Americans say they would prefer to die at home. Other statistics from the Centers for Disease Control and Prevention show that only 25% actually do. But for those individuals receiving hospice care, that percentage rises to 96%.

One of our caregivers, Randy Roller, shared his hospice story with us.

“In March of 2013, Jeanette Gibson Roller underwent surgery and started treatments for Stage 1 Triple Negative breast cancer. Before she reached the end of the scheduled round of chemo, a troubling spot had formed where her breast once had been. By Christmas, she was only able to walk with assistance, and her prognosis was poor. By this time, our family had already been welcomed into another family in our community- Richmond County Hospice. As the days went on, we began to depend on the hospice staff more and more.

In March of 2014, we became ‘regulars’ at the Hospice Haven. The staff knew us all by name- making sure we were comfortable, providing a shoulder to cry on, and all while taking care of Jeanette whose body was failing more each day. On Friday, March 14, one of the nurses came to us to let us know that the time was getting near. She and other staff explained to us what to expect over the next few hours or days. At that point, our family was truly embedded in the Richmond County Hospice family. Through the next week, they laughed with us, cried with us, hugged us, and held our hands. They let us be angry; they let us be sad; but they also let us know that it was okay to not want to see our wife, mother, grandmother, sister, cousin, friend, confidante, and leader suffer anymore.

Jeanette fought hard that last week of her life. Although she could not say a word, you could see the internal dialogue going on between her and her Savior. He allowed her to open her eyes once that week giving us each a chance to tell her how much we love her. On Saturday, March 22, 2014, exactly one year since the start of her battle against breast cancer, Jeanette won the battle. As she had told us, she was cancer free with her Lord, and she was okay.

Throughout Jeanette’s battle, our family came to trust and depend on the employees and volunteers of Richmond County Hospice. Their caring and compassion far exceeded any of our expectations. Acts 20:35 says ‘I have showed you all things, how that so laboring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, it is more blessed to give than to receive.’ Richmond County Hospice was there for our family when we were weak: weak in body, mind, and spirit. With their love and support, we made it through one of the most difficult periods of our lives. We cherish the relationships formed during Jeanette’s final days both at home and at The Haven. It is our prayer that all families dealing with such trials receive the compassionate care that we experienced.”

We appreciate Randy sharing his family’s hospice experience.

Hospice allows for memories and moments that otherwise may not have been possible and that can often be the defining moment of a “good death.” Visit the NHPCO’s Moments of Life campaign at www.MomentsOfLife.org to see more stories on how hospice helps patients to live each moment!

What's Happening

This year the various departments had a friendly gingerbread house competition that quickly became a source of stress relief and interdepartmental rivalry- all in good fun! We are thankful for our judges who came out and decided on a winner. The winning gingerbread house was created by the nursing department and definitely was covered in decorations or as the Family Services department liked to say "it was the Griswold house!" The "team captains" of the winning gingerbread house were Jenny Thrower Mabe, Natalie Barbour, and Michelle Rogers.

What's Happening

Richmond County Hospice would like to thank the BETA Club of Washington Street School for their thoughtful donation. The students donated these items as their service project during the holiday season, and the items will be used at our inpatient unit, Hospice Haven, and for our patients' birthday bags.

Again, we would like to say "Thank You" to these students who chose to serve Richmond County Hospice by making this donation. Not present: Grace Street and Allie Miller.

Richmond County Hospice would also like to recognize West Rockingham Church of God and Mt. Calvary Rock of Ages Church for their continued support. Their donations allow us to provide a birthday bag to each patient on his/her special day and day-to-day needs for our Hospice Haven.

Dear Friends,

As our 30th year of hospice care comes to an end, I would like to take this time to reflect on our exciting year and thank each and every one of you for your support in 2015.

We couldn't provide the services we offer throughout the community without our wonderful dedicated team. Each and every one of them fulfill our mission on a daily basis; they are the definition of hospice care. In 2015, Richmond County Hospice had one of the highest employee retention rates we've had in many years, 96%. I am thankful for these dedicated employees and their belief and commitment to their patients and our organization.

We celebrated this milestone anniversary with our 30th Year Anniversary Gala; our special Edition of our community newsletter, that gave us a chance to look back through the years; and our Culinary Comforts Cookbook. All the fundraising from the gala, cookbook proceeds, and other donations went into our Benevolent Care Program.

Our Benevolent Care Program provided approximately \$70,000 of care to patients who did not have insurance or the ability to pay for the end-of-life care that they needed. As a part of our mission, we want to be able to provide all of our services to any person who needs hospice care regardless of their ability to pay.

Over the past year we have shown a small growth in providing care to patients in our community. In 2014, we cared for 321 patients; in 2015, we cared for 365 patients. We have not yet received the statistics for 2015; however, in 2014 we cared for 72% of all deaths in Richmond County. As we experience these small growths, our main objective is to be Richmond County's hospice of choice. As the home town not-for-profit hospice, we want to provide excellent end-of-life care and services for our community.

As a part of our community outreach in 2015, we held two Light of Life memorial services, with over 110 in attendance at each service. Our Salute to Veterans event had over 250 in attendance, and our Camp Haven Children's Grief Camp had 52 children attend and 91 volunteers. Our Forever Tree had 181 memorial and honorarium lights this year. We are honored and thankful that our events have been so well attended and supported.

Our Volunteer department has been busy as well, with 5,500 hours of volunteer work from dedicated volunteers.

All these wonderful things-the care team, events, volunteers, donations, community support, your choice to have a home town hospice-change the life of a dying patient and their family members. And for all of this, I thank you.

In Hospice Service,

Kristina Leyden, MSW, LCSW

BOARD OF DIRECTORS

Our Board of Directors is made up of community members who give the gift of their time and talents. In 2015, we had three very dedicated individuals finish their terms: Lynn Clewis, Rev. Steve Crews, and Rita Short. Each of these members gave of themselves and they are true champions of Richmond County Hospice.

This year we welcome Allison Farrah, Dennis Quick, and Vickie Cox to our Board of Directors.

Allison Farrah is the Assistant Pastor at First United Methodist Church in Rockingham. Allison has a Master of Religious Education from Duke University Divinity School and has worked as a Youth Minister, a Teacher in Richmond and Moore Counties, and is currently a member of the Rockingham Rotary.

Dennis Quick is the Public School Administrator for Richmond County Schools. Dennis has a Master of Science Degree in Education Administration and has worked as a Trainer, Teacher, Coach, and Sports Agent, and is currently a Member of the Board of Arts Richmond.

Vickie Cox is controller for Tri City, Inc. Vickie has a Bachelor of Science degree in Accounting from East Carolina University. She has worked in public and private accounting firms, served as treasurer for the Richmond County Historical society, the secretary of the Raider Mom's Club, and Vice president of the Richmond County Athletic Booster Club. She is a deacon and Elder at First Presbyterian Church and a member of Le Mardi Book Club.

We welcome our new board members with gratitude and enthusiasm. Richmond County Hospice looks forward to where our new and current board members will guide us in 2016.

As an organization and community, we are gifted with talent and community support.

Anson Community Hospice

Anson Community Hospice has been a division of Richmond County Hospice, Inc., since 2000.

As a whole, Anson County only had 23% of deaths served by a hospice in 2014, which, compared to its neighboring counties, is low. Statistically, hospices provide for more than 50% of deaths in a county.

As a provider of hospice services, we feel there is a great deal of care, comfort, dignity, compassion, and symptom management that a family and patient could benefit from when our services are in place. This year, as we continue to focus on the needs of our community, we have decided to start an Anson County Advisory Committee to help us reach out and educate individuals/groups and medical providers on the benefits of hospice care.

Our hope is that this committee will provide insight and guidance to us as we look to expand our services and serve the citizens of Anson County.

Our Advisory Committee meetings will be held the second Wednesday of each month at the Anson County Chamber Building. If you are interested in being a part of our committee, please call Kristina Leyden at 704-695-1595 for more information.

Volunteer Training: Richmond County Hospice invites you to volunteer at Your Hometown Hospice on US 1. We have several opportunities for individuals of all ages, including but not limited to: Patient Care (in the home or at our Hospice Haven), Office Support, Bereavement, Volunteer Program, and Fundraisers/Special Events. Training for Patient Care volunteers will be held on February 2nd, 4th, 9th, and 11th from 5:30-8:30 p.m. each night at our Administrative office. To sign up for training or if you have any questions, contact Lisa O'Neal, Volunteer Coordinator at (910) 997-4464.

Grief Support Group: Each month, Richmond County Hospice cohosts with Richmond Memorial Park a grief support group for individuals who either are caring for or have experienced the loss of a loved one. The group meets the first Saturday of the month at 10:00 a.m. at Hospice Haven. The next group will meet Saturday, February 6th.

Volunteer Banquet: Richmond County Hospice will honor those who have volunteered with us this past year by hosting our annual Volunteer Banquet on Tuesday, April 12th, at 6:00 p.m. Volunteers save the date and look for your invitation in the mail closer to the event.

Light of Life Memorial Service: Richmond County Hospice will host its first Light of Life Memorial Service for 2016 in May. This service includes the families of our patients who have passed away within the last six months as well as community members who have also experienced a loss. For more information about the Light of Life service, contact Sandy Black at 910-997-4464.

Relay for Life: Richmond County Hospice will have a team for the upcoming Richmond County Relay for Life. If you are interested in joining our team or making a donation, contact Stephanie Thornton at (910) 997-4464. The event will be held at the Cole Auditorium on May 6th.

Camp Haven: Richmond County Hospice will hold our annual Children's Grief Camp, Camp Haven, from 8:00 a.m.-3:00 p.m. on the Richmond County Hospice campus. The camp is open to children ages 5-12 who have experienced a significant loss in the last year. For more information or a camp application contact Sandy Black at (910) 997-4464.

How To Donate To Hospice

There are several ways to contribute to your hometown hospice. You can donate your time by visiting patients, helping around the offices, helping during special events, in-kind gifts from our Wish List, or sending monetary contributions. Monetary donations may be given in the following ways:

1. Send a check with your donation by mail to our main address
2. Call directly to our office and make a credit card contribution
3. Visit our web site: <http://mpweb.org/hospice>, under the tab GIVE.

You may donate on behalf of someone, in memory, or in honor of a loved one, friend, neighbor, member of your church, or an employee. You may also contribute out of the goodness of your heart.

*Contributions are welcomed towards special projects such as our **BRICK FUNDRAISING** by buying bricks to help build our “Walk to Remember” and the “Veterans Wall.” More information on this project may be found on our web site. All the funds collected through these projects are used directly and exclusively to benefit current and future patients under our care.*

In-Kind Donations

Richmond County Hospice and the Hospice Haven are very fortunate to be surrounded by a compassionate community who supports our not-for-profit hospice agency. We are honored to care for patients and families during their end-of-life journey. With support of our faith community, business community, private clubs, civic organizations, and individuals, we are able to provide various items to our patients. Below is a list of “wish” items that are continually needed and will help our patients in their homes or in our inpatient center, the Hospice Haven.

Reminiscence Items: journals, pens, greeting cards, stationery; Laundry Supplies: laundry detergents, fabric softeners; Food and Basic Staples: applesauce (individual cups), bread, cake mixes and frostings, cereal, cereal bars, can sodas (sprite, diet coke and coke), cookies (snack size packages), crackers, (individual snack packs), Easy Mac, flavored creamers, frozen dinners, fruits, granola bars, individual ice cream, individual yogurts, jelly, juices, microwave popcorn, peanut butter, pudding cups, snacks; Kitchen supplies: aluminum foil, paper plates, napkins, plastic cutlery, Ziploc bags; Personal Supplies: chap stick, conditioner, shampoo, dental floss, Kleenex, lotion, soap, toothbrushes, toothpaste; Gift cards and Certificates: gas stations, Lowes, and Wal-mart.
