

Hospice Sabbath

We at Richmond County Hospice, Inc. would like to thank all the churches for your continued support with Hospice Sabbath. This past year we had 37 churches participating throughout Richmond and Anson County!

I would like to take this opportunity to extend an invitation to every church member in our community to become involved with our agency as we make efforts to grow throughout the surrounding communities. We here at Richmond County Hospice Inc. are working on an outreach program to involve more of the churches in the counties that we serve in an effort to truly become your hometown Hospice.

This outreach program is combined of three major parts, Hospice Sabbath, a monthly Newsletter and public speaking engagements within the church. Hospice Sabbath represents a celebration to honor those individuals throughout the community that have passed within the last year. We recognize that not everyone is involved with Hospice as their last days approach. With Hospice Sabbath we encourage that this program does not have to be experienced for only Hospice patients and that even those loved ones that did not have Hospice services should be honored. We would like to take this time to invite any church members in the community that would like to be a part of this special day to contact me here at Hospice. Churches that participate in Hospice Sabbath will receive a white rose to place in the sanctuary and bulletins to offer support and encouragement.

Our second form of outreach is a Newsletter that I write each month. We are offering churches to provide bulletin inserts for your congregation. These articles are written with the intention to help uplift and unite the body of Christ.

Lastly, our organization would like to be invited into each church to have the opportunity to explain what Hospice is, how it works, who qualifies, and to end the myths that Hospice is just about death.

We at Richmond County Hospice Inc. strive to make a difference in this community. I am excited about venture to grow this outreach program and the opportunity to be invited into your church for Sunday services, men and women ministry meetings or any event you have at your church to explain our services. If you or anyone else you may know would be interested in this outreach program, please contact me as soon as possible at 910/997-4464 or at cthorton@rchospice.com

Thank you so much for allowing me the opportunity to share with you about our outreach program!

In the love of Christ,

Rev. Chris Thornton, CPC

Larry Florence

Larry is an Air Traffic Control Specialist at the United States Department of Defense with the US Army at Fort Liberty. He recently moved from California in 2023 and is pursuing his MSW at Walden University. On top of working full time and going back to school, Larry is married with 4 boys. Larry chose Richmond County Hospice to do his internship because he said he wants to help make a difference for our patients as well as their families. We are excited to have him become part of our hospice family.

New Volunteer Staff

Jordyn Willman

Jordyn has recently joined Richmond County Hospice as a volunteer and loves helping in the office and at events. She is a full time student so balancing both school and volunteering can sometimes be a challenge but she always gives when she can.

We are so happy she chose to share her time with us and that she has become part of the hospice family.

HOSPICE & PALLIATIVE CARE MONTH

NOVEMBER

Every day is a gift

HOSPICE & PALLIATIVE CARE MONTH

November is designated as National Hospice and Palliative Care Month. To recognize this special time, we at Richmond County Hospice, host **"Hospice Month."** This is our annual month-long celebration of our employees and all of their dedication. We are truly blessed with a terrific group of staff members that provide exceptional care and support our mission.

This year's festivities included:

Catered lunch by Seaboard Station Restaurant during our Salute to Veterans event

BBQ lunch plate from Rotary Club

Breakfast burritos from Armando's Mexican Grill

Breakfast biscuits from Biscuitville

Lunch from Taco Factory food truck

Breakfast buffet from Holiday restaurant

Pizza lunch from Godfather's Pizza

Wal-Mart gift cards

We hope that each employee feels valued for a job well done. Below are some photos from our various festivities:

Hamlet's 2023 Christmas Parade of Lights

Several of our staff members and volunteers enjoyed becoming elves and helping out in Santa's workshop as we went along the parade route. Nic Wilkes was the mastermind behind the concept/design and we were honored to win the 1st place Judges' Choice award!

Our hope is that that we brought some joy as we traveled through Hamlet that night. We all had a great time and enjoyed the evening!

Saturday December 16th at 11:00am. We held a Wreaths Across America (WAA) Ceremony at Anson Memorial Park.

Those in attendance were welcomed by Kristina Leyden, CEO. Following the welcome, a moment of silence was observed to remember the fallen, the prisoners of war, those missing in action, and honoring those who have served and are serving in our armed services. Frank Mims, Pastor of Victory Baptist Church had an opening prayer, and Peter A. Leyden, SGM retired led those gathered in the Pledge of Allegiance and the National Anthem. We then continued with the scripted WWA Ceremony done in many cemeteries across the nation at the same time on the same date each December. Hollie Smith, Director of Inpatient Care read the poem "We Remember Them" and Jessica Mims, Director of Family Services led the attendees in singing Amazing Grace.

At the conclusion of the ceremony volunteers laid wreaths on the headstones of the veterans buried in Anson Memorial Park.

We appreciate Leavitt Funeral Home for their partnership in this event and all of those in attendance for the ceremony and laying of wreaths. It is such a touching tribute to those who served this Great Nation.

Tell us a little about your Family: I am married to my 3rd and final husband (3rd times a charm!). I have a 20 yr. old daughter who's in college in Pennsylvania and a 14 yr. old son.

What drew you to Richmond County Hospice originally and what have you gained from working here? I worked with them when I was Director of Nursing at Richmond Pines several years ago and saw the exceptional care they took of their patients.

What are three words to describe Richmond County Hospice? Selfless, Genuine, Compassionate

If you could pick one theme for Richmond County Hospice to turn into a book about the company, what would it be? "Love is an Action" (RCH does this better and more sincerely than any other healthcare provider).

Do you have a favorite saying or quote? Recently its been "You've gotta have skin in the game" I tell my kids this because I want them not to "expect" things, but to create the lives they want.

What is the name of your favorite restaurant and why? I like unique restaurants rather than chain restaurants. My current favorite is Workshop Tavern in Aberdeen. It's a cool ambience and has great food.

What are three words that best describe who you are? Honest, Loyal, Unique.

Complete the sentence, "I am my happiest when..., I am riding my horse.

Where is the best place you have traveled to and why? I went on a 10 day Mediterranean cruise and loved France & Morocco. The food and culture was amazing!

When was the last time you laughed so hard you cried? Last time I was with my twin and my Dad. We crack each other up!

*Mrs. Corrine Swink, RN/Inpatient Nurse/Haven
is the recipient of the
Employee Spotlight for the Month of November 2023!*

Mrs. Corrine Swink began working with Richmond County Hospice on February 6, 2023, and has accomplished 9 months serving as RN/Haven Inpatient Unit.

Tell us a little about your Family: My family consist of my husband Michael, whom I have been married to for 39 years. We have one son, Jarrod and his wife, Cassie. They blessed us with 3 grandchildren, Sadie (16), Lexi (12) and Weston (4). Mike and I also have a cat, Gabi Rose and a Malchi Eva-Lynn. My family is my heart and my world!

What drew you to Richmond County Hospice originally and what have you gained from working here? I've always wanted to work on a inpatient hospice unit where I felt I could make a difference and help guide both patient and their families through the process at end of life. Another thing that drew me to Richmond County Hospice was their involvement in the community through outreach and participation. I desired to belong to a place of work that gave back to the community as well as being involved. What I have gained is a new family of friends. I've learned that the end of life care can teach us just as much about how to live as it does about how to die.

What are three words to describe Richmond County Hospice? Caring, Giving and Family

If you could pick one theme for Richmond County Hospice to turn into a book about the company, what would it be? Caring for Others With an Open Heart

Do you have a favorite saying or quote? Proverbs 31:25. "She is clothed with strength and dignity and laughs without fear of the future" I chose this Bible verse because I know that by clothing myself with God's strength and Dignity and carry my strong faith and trust in God I have nothing to fear! I can laugh at the future because I know where my future lies in the end!

What is the name of your favorite restaurant and why? Los Mariachis, I love Mexican food!

What are three words that best describe who you are? Wife, Mother and Grandmother

Complete the sentence, "I am my happiest when....," I'm surrounded by my family, especially my precious grandchildren!

Where is the best place you have traveled to and why? The Creations Museum and The Ark Encounter in Kentucky. I was able to connect on a personal level with what brought God to choose Noah to build the Ark, why the earth was flooded, the wonder of how the Ark was built and able to function, and what happened after Noah and his family left the Ark. The experience allowed me to deepen my understanding of this central story in my Christian Faith and put the biblical account into perspective.

When was the last time you laughed so hard you cried? Last week

What kinds of hobbies and interests do you have outside of work? Spending as much time as I can making memories with my family and those I love because time passes to fast and life is too short. No one is promised tomorrow. I love to cook and try new recipes. And last but not least traveling and seeing and doings things I've never seen or done before!

*Thank you, Mrs. Corrine for all of your hard work and dedication to Richmond County Hospice.
