Richmond County Hospice, Inc.

Anson Community Hospice & Hospice Haven

Our Purpose

At Richmond County Hospice, our purpose is to provide exceptional, compassionate care that honors life and supports our community. We serve individuals facing life-limiting illness, ensuring that when curative treatment is no longer the focus, patients are able to live each day with comfort, dignity, and meaning.

Our Focus

Comfort Over Cure

We prioritize expert pain and symptom management to enhance quality of life, allowing patients to experience comfort, peace, and relief.

Emotional & Spiritual Support

Our interdisciplinary team provides holistic care – supporting not only physical needs, but also the emotional and spiritual well-being of patients and their families through chaplaincy, counseling, and bereavement services.

Family-Centered Care

We walk alongside families every step of the way, offering guidance, education, and respite – ensuring they feel supported, informed, and never alone.

Care Wherever Home Is

Whether in a patient's home, our Hospice Haven inpatient unit, assisted living, or hospital setting, we meet patients where they are – delivering care in the environment that best supports their needs.

A Team Approach

Our care is delivered by a dedicated team of nurses, physicians, hospice aides, social workers, chaplains, and volunteers – working together to provide coordinated, compassionate support.

Our Commitment

Our goal is simple but profound: to bring dignity, comfort, and peace to every patient and family we serve – ensuring that every moment matters in life's most important journey.

Dear Friends, Supporters, and Community Partners,

As we reflect on the past year at Richmond County Hospice, I am filled with gratitude for the unwavering support of our community. Since our founding in 1985, our mission has remained rooted in compassion, dignity, and service—values that continue to guide us as we care for our neighbors during life’s most meaningful moments.

This year marks an exciting step forward in strengthening our commitment to sustainability and growth as a community-based, nonprofit hospice. I am proud to share the creation of a new leadership role within our organization—our Director of Development. Jessica Mims brings years of hospice experience, dedication, and heart to develop this new position, where she will lead our efforts in grant writing, donations, fundraising campaigns, and legacy giving. She will also support our medical marketing and community outreach initiatives, helping us expand awareness and deepen our impact.

The addition of this role reflects our continued focus on preserving the nonprofit hospice model that was built by this community more than four decades ago. As healthcare continues to evolve, it is essential that we remain proactive in securing resources that allow us to provide exceptional care—regardless of a patient’s ability to pay.

In support of this vision, we are proud to launch our first major fundraising campaign in over a decade. Our goal is to raise \$60,000 to renovate the kitchen at Hospice Haven. The Baxter Foundation has already gifted us a \$10,000 grant to start the fundraising process for the kitchen. This space is more than just a kitchen—it is a place where comfort is created. From home-cooked southern meals to simple treats shared with patients and families, food plays a meaningful role in the hospice experience. This renovation will allow us to better serve our patients, families, and staff by creating a warm, functional, and welcoming environment.

As always, everything we accomplish is made possible by the generosity of our donors, the dedication of our staff and volunteers, and the trust of the families we serve. Together, we continue to honor life, provide comfort, and support our community when it matters most.

Thank you for being a part of our mission.

With gratitude,
Kristina Leyden, MSW, LCSW
Chief Executive Officer
Richmond County Hospice

“At Richmond County Hospice, we see every day how much the smallest moments can mean—a hand held, a favorite meal, a quiet conversation. Those are the moments that matter. I am incredibly grateful for the support of our community, whose generosity allows us to continue creating these meaningful experiences for the patients and families we serve.”

Celebrating our 40th year providing care

Richmond County Hospice Inc is proud to announce the creation of a new department in our organization. The Development Department was launched on February 1, 2026, with Jessica Mims appointed to lead this initiative. Jessica has been with Richmond County Hospice since 2011 serving as a homecare social worker for three years before promotion to the Director of Family Services in 2014. Jessica has extensive experience in hospice care and has assisted with admissions in addition to supervising social work, chaplain, and bereavement services. As a native to Richmond County, her roots run deep and she has a passion for hospice. “Richmond County Hospice is the premier hospice provider in our area” says Jessica. She further states, “we want to be the provider of choice for our community, and we encourage patients to ask for us by name if their physician recommends hospice care.”

As the Director of Development, Mims will remain a part of the leadership team and will focus her efforts on grants, fundraising, and donor development, with which she has experience.

These areas have historically been divided amongst different staff members but will now fall under the umbrella of the Development Department.

As an independent, nonprofit provider of hospice care, Richmond County Hospice depends upon support from our community to help us carry out our mission. We pride ourselves on quality care provided by competent and compassionate employees. Furthermore, we boast a 5-star rating through the Centers for Medicaid and Medicare Services and most recently became certified as a Great Place to Work. As another indicator of our quality care, we are recognized as an Elite Hospice through MatrixCare.

One of the priority tasks for this new position is a capital campaign for an update to the Haven Kitchen. A kitchen is more than just a place to prepare food, it is the heart and soul of any home, and our Haven is no exception. The Haven is designed to feel like home and to offer all the comforts enjoyed there. Nothing says comfort like a home cooked meal. Such meals can bring immense satisfaction to our patients and their loved ones reminding them of being at home with family enjoying a favorite meal together.

To ensure quality meals are offered and prepared it is necessary to update our current kitchen facilities. Enhancements are needed to improve functionality and workflow within our current space as well as upgrading appliances. We are asking our neighbors to assist us in this endeavor. Donations are being accepted to go toward the Haven Kitchen Update. Any amount is appreciated and will help us reach our goal of \$60,000. Consider partnering with us to promote comfort and donate to our campaign today.

Richmond County Hospice Inc, started in 1985, has been a vital part of Richmond and surrounding counties and it is our goal to continue to provide exceptional care well into the future. Please contact us today and speak to Jessica Mims if you would like more information on ways to provide financial support to us. Your tax-deductible donation makes a difference!

MOMENTS THAT MATTER

I THANK GOD FOR RICHMOND COUNTY HOSPICE'S FACILITY AND STAY BECAUSE OF THEM, MY BROTHER'S LIFE TRANSITION WAS WITH DIGNITY AND GRACE. THEIR COMPASSION, THEIR GENTLENESS, AND THEIR KINDNESS WILL NEVER BE FORGOTTEN

I APPRECIATE THE COMPASSIONATE CARE THAT WAS PROVIDED FOR MY SISTER AND OUR FAMILY. FROM THE INITIAL TIME IN THE FACILITY TO THE MOMENT WE WERE DEPARTING FROM THE HOSPICE HAVEN, LOVE WAS FELT AND SHOWN. THE TEAM SHOWED RESPECT AND ENSURED OUR FAMILY MEMBER AS WELL AS US WERE PROVIDED AN EXPERIENCE THAT HELPED TO EASE THE PAIN OF DEATH THROUGH THE MANNER. IN WHICH WE WERE SERVED FOR THE TWENTY TWO DAYS BEING THERE. WE ARE FOREVER GRATEFUL.

RICHMOND CO. HOSPICE FAR EXCEEDED MY EXPECTATIONS. COMPARED WITH HOSPICE, RICHMOND CO. WAS FAR SUPERIOR TO OTHER COUNTIES IN NORTH CAROLINA, CUMBERLAND AND WAKE, IT WAS UNBELIEVABLE. WE WERE SO VERY BLESSED WITH THE CARE IN RICHMOND CO.

OUR FAMILY WAS SO IMPRESSED WITH HOW QUICKLY HOSPICE STEPPED IN AND MY MOM WAS ABLE TO BE TRANSFERRED TO THE HOSPICE HAVEN. IT WAS A GODSEND. THANK YOU ALL FOR YOUR CARE, CONSIDERATION, PATIENCE AND ATTENTION TO DETAILS. MY FAMILY AND I WILL ALWAYS BE GRATEFUL.

THE STAFF WAS WONDERFUL DURING MY MOM'S DEATH. ALWAYS HELPFUL AND KIND, VERY CARING AND ALWAYS KEPT YOU UP TO DATE ON WHAT WAS HAPPENING. VERY KIND AND CARING AND GENTLE TO YOUR FEELINGS. THE BEST SERVICE EVER,

RICHMOND COUNTY HOSPICE IS AN AWESOME ORGANIZATION. THEY WERE MY MOTHER'S ANGELS ON EARTH. THEY ALSO WERE MY SIBLINGS AND MY ANGELS ON EARTH. THEY WENT OVER AND ABOVE TO MAKE MY MOTHER COMFORTABLE DURING HER TIME OF DECLINE.
